Pension Leadership Awards

# Risk Management Award

This award will go to a pension plan that has successfully implemented a robust approach to its risk management function. This may include implementing de-risking or re-risking, or showcase day-to-day processes in place for risk management in pension plan investments.

ALL FIELDS ARE MANDATORY

1. Are you nominating:

- a) Your own organization
- b) Another organization

If you are nominating someone from another organization, do you have consent from the nominee to submit this? (Please note we require that the nominee has consented to being put forward.)

yes  no
